KOMAR ANCHOR PLUMBING & DRAIN SERVICE ANNOUNCES COMPLETION OF PLUMBING PROJECT FOR NEW GETGO CAFE & MARKET GAS STATION IN NILES

September 18, 2018 - Niles, Ohio - Komar Anchor Plumbing & Drain Service, a full service residential and commercial plumbing contractor, was chosen to complete the plumbing in the construction of the new getGo Cafe & Market and gas station in Niles, Ohio.

The 5,280 square foot getGo has been built near one of the busiest intersections in Niles, at the intersection of U.S. Route 422 and State Route 46. This new convenience store and gas station makes it more convenient for drivers to cash in on fuel perks earned from Giant Eagle, since previously, Niles residents would have to drive out of the city.

“We are honored to have been chosen for another large-scale commercial project in the Mahoning Valley. I believe that this new getGo will bring added convenience to the Niles community.” stated Thaddeus Smith.

The Grand Opening of this location was on September 6th, 2018.

With 50 years of experience, Komar Anchor Plumbing and Drain service can fulfill commercial projects like this or residential plumbing repairs or installations.

Founded in 1966, Komar Anchor Plumbing and Drain Service offers a full range of interior and exterior plumbing services for businesses and residential homes, for both new and rehabilitated construction. They work closely with general contractors on each job. Originally incorporated as Komar Plumbing Company, Inc., they merged with Anchor Plumbing and Drain Service in 2016 to form Komar Anchor Plumbing and Drain Service. The company is fully licensed, bonded and insured.
