KOMAR ANCHOR PLUMBING & DRAIN SERVICE ANNOUNCES PLUMBING PROJECT FOR PURFOODS FULFILLMENT CENTER

July 11, 2018 - North Jackson, Ohio - Komar Anchor Plumbing & Drain Service, a full service residential and commercial plumbing contractor, has been chosen to complete the plumbing in the construction of a new PurFoods fulfillment center in North Jackson, Ohio.

PurFoods provides nationwide delivery of fully-prepared, refrigerated meals that meet nutritional guidelines for those who wish to remain independent or better manage their health. The company sells meals to organizations like Meals on Wheels.

The fulfillment center has cook and flash freeze capabilities; therefore, the plumbing portion of this project is complex. Komar Anchor will be installing the underground and finished plumbing for the center.

“We are eager to complete another large-scale commercial project. It is great to see another large company expanding to the Mahoning Valley” stated Thaddeus Smith, President of Komar Anchor Plumbing.

This multi-million-dollar project is expected to be completed in the fall of 2018.

With 50 years of experience, Komar Anchor Plumbing and Drain service can fulfill commercial projects like this or residential plumbing repairs or installations.

Founded in 1966, Komar Anchor Plumbing and Drain Service offers a full range of interior and exterior plumbing services for businesses and residential homes, for both new and rehabilitated construction. They work closely with general contractors on each job. Originally incorporated as Komar Plumbing Company, Inc., they merged with Anchor Plumbing and Drain Service in 2016 to form Komar Anchor Plumbing and Drain Service. The company is fully licensed, bonded and insured.
