## **KOMAR ANCHOR PLUMBING & DRAIN SERVICE COMPLETES OHIO UTILITIES PROTECTION SERVICE HEADQUARTERS**

---

January 8, 2018- North Jackson, OH- Komar Anchor Plumbing & Drain Service has completed a large commercial plumbing project for the Ohio Utilities Protection Service.

Known for their "Call Before You Dig" signs, the Ohio Utilities Protection Service (O.U.P.S.) was in need of a new headquarters. Komar Anchor Plumbing & Drain Service provided all of the plumbing services for the new headquarters, located in North Jackson.

The project took a year to complete, and kept the O.U.P.S. headquarters in the Youngstown area. The alternative was to move the O.U.P.S. headquarters and the jobs it offers to Columbus.

"Komar Anchor is proud to have been a part of this project," said Komar Anchor Plumbing & Drain Service Owner Thaddeus Smith. "We are happy to support any initiative that results in keeping jobs in the Valley."

Komar Anchor Plumbing and Drain Service can cover large-scale commercial plumbing jobs like this, or small residential jobs, like a leaky faucet in a house.

Founded in 1966, Komar Anchor Plumbing and Drain Service offers a full range of interior and exterior plumbing services for businesses and residential homes, for both new and rehabilitated construction. They work closely with general contractors on each job. Originally incorporated as Komar Plumbing Company, Inc., they merged with Anchor Plumbing and Drain Service in 2016 to form Komar Anchor Plumbing and Drain Service. The company is fully licensed, bonded and insured.

To request an appointment, call (330) 758-5073 or visit [komarplumbing.com](http://komarplumbing.com).
