## **KOMAR ANCHOR PLUMBING & DRAIN SERVICE ANNOUNCES PARTNERSHIP WITH THE COLUMBIANA COUNTY FAIRGROUNDS ON PLUMBING FOR NEW RESTROOMS**

---

February 20, 2018 - Columbiana, Ohio - Komar Anchor Plumbing & Drain Service, a full service residential and commercial plumbing contractor, has taken on the job to install the plumbing for a new public restroom building at the Columbiana County Fairgrounds.

In preparation for the upcoming 2018 Columbiana County Fair, Komar Anchor Plumbing & Drain Service started this large project this past November.

The new restrooms will be conveniently located adjacent to the bustling Grandstands. The restrooms will have new toilets and sinks and will be accessible from both lower and upper levels.

However, the winter weather conditions are not making this project an easy feat.

“Dealing with the extreme weather has been a challenge with this project,” says President & Owner Thaddeus Smith. “Despite that, we are on time and don’t anticipate any issues completing this job in time for this year’s Columbiana County Fair.”

With 50 years of experience, Komar Anchor Plumbing and Drain service can fulfill commercial projects like this or residential plumbing repairs or installations.

Founded in 1966, Komar Anchor Plumbing and Drain Service offers a full range of interior and exterior plumbing services for businesses and residential homes, for both new and rehabilitated construction. They work closely with general contractors on each job. Originally incorporated as Komar Plumbing Company, Inc., they merged with Anchor Plumbing and Drain Service in 2016 to form Komar Anchor Plumbing and Drain Service. The company is fully licensed, bonded and insured.
