KOMAR ANCHOR PLUMBING & DRAIN SERVICE ANNOUNCES PLUMBING PROJECT FOR THE YOUNGSTOWN AMPHITHEATER

May 16, 2018 - Youngstown, Ohio - Komar Anchor Plumbing & Drain Service, a full service residential and commercial plumbing contractor, has been chosen to complete the plumbing in the construction of an amphitheater in Youngstown.

The construction of the amphitheater is set to begin June 1st. It will be built off of Front Street and will be next to the Covelli Centre, along the Mahoning River. The amphitheater has an anticipated opening date of the summer or fall of 2019.

The amphitheater will have seating for 4,500 guests, and the great lawn will accommodate another 3,500. This theater will be named the Youngstown Foundation Amphitheater, in honor of the foundation that provided \$3 million toward the project.

“Komar Anchor is honored to be selected to complete another large-scale commercial plumbing project in the Mahoning Valley. We are eager to assist in the development of downtown, Youngstown and we look forward to the impact that this amphitheater will have on the community,” says Thaddeus Smith, President of Komar Anchor Plumbing.

With 50 years of experience, Komar Anchor Plumbing and Drain service can fulfill commercial projects like this or residential plumbing repairs or installations.

Founded in 1966, Komar Anchor Plumbing and Drain Service offers a full range of interior and exterior plumbing services for businesses and residential homes, for both new and rehabilitated construction. They work closely with general contractors on each job. Originally incorporated as Komar Plumbing Company, Inc., they merged with Anchor Plumbing and Drain Service in 2016 to form Komar Anchor Plumbing and Drain Service. The company is fully licensed, bonded and insured.
